

# Medication Agreement

for education and care

This information is confidential and will be available only to relevant staff and emergency medical personnel.

The agreement section must be completed by a medical practitioner (GP or specialist), nurse practitioner, or pharmacist. Authorisation/Release must be completed by the parent or legal guardian, or the adult student.

The authorisation/release and agreement sections must be completed for the medication to be administered in an education or care setting.

This is a single medication sheet; use a separate form for each medication. All sections of the form must be completed.

**Medication Agreements that are modified, overwritten or illegible will NOT be accepted.**
