

Worried about cost?

We have recently been funded by the Australian Federal Government (via Adelaide Primary Health Network) to provide **completely free access for one year** to 325 families in the Adelaide Metropolitan area (value \$177.50). At this stage, we are limiting them to families who have either a government issued Health Care Card (if you don't live in Adelaide, or don't have a health care card - read on for one other discount option).

To sign up for your free annual membership now, simply go to:

www.calmkidcentral.com

Scroll down until and click on the sentence "I have a coupon code" (do NOT click on the "sign up now" button above this).

Enter your details and put in one of these codes below, corresponding to (roughly) the geographical area of Adelaide you live in:

- PARENTWEST
- PARENTNORTH
- PARENTSOUTH
- PARENTEAST

(In other words, if you live roughly West of the Adelaide CBD, put PARENTWEST, if you live north of the CBD, enter PARENTNORTH and so on).

Don't live in Adelaide or have a health care card?

You can still sign up for one month free using the voucher code: FIRSTMONTHFREE

Just go to www.calmkidcentral.com

- then click on the monthly sign up option and put the words FIRSTMONTHFREE in the coupon code box. Don't forget to cancel within 30 days so that your credit card doesn't get charged if you don't want ongoing access
