

# ACCEPTANCE AND REFUSAL AUTHORISATION POLICY

Under the Education and Care Services National Law and National Regulations, education and care services are required to obtain written authorisation from parents/guardians for some circumstances, to ensure that the health, safety, wellbeing, and best interests of the child are met and upheld. An authorisation is given where a person who has legal responsibility for a child gives permission to another person to do something or to make a decision on that person's behalf. Authorisations are usually authenticated by a signature- either in written form or as an electronic signature. All authorisations and refusals are to be kept in the child's enrolment record.

## PURPOSE

Our priority is ensuring the health, safety and wellbeing of children. We aim to ensure that all educators, staff, students and volunteers of the OSHC Service are consistent in how authorisations are managed and what constitutes a correct authorisation and what does not, which consequently may lead to a refusal. Our governance and quality management processes are effective and transparent and meet all regulatory requirements.

Decisions around refusing an authorisation will be made on a case-by-case basis by the OSHC Service in accordance with the nominated supervisor, Police, regulatory authority or other authorities.

## SCOPE

This policy applies to children, families, staff, educators, management, approved provider, nominated supervisor, students, volunteers and visitors of the OSHC Service.

## IMPLEMENTATION

Our OSHC Service will ensure we comply with the current *Education and Care Services National Regulations*, and have policies and procedures in place in relation to the acceptance and refusal of authorisations which require parent or guardian written authorisation to be provided in matters including:

- Administration of medication to children
- Self-administration of medication
- Administration of medical treatment, dental treatment, and general first aid treatment.
- Emergency Ambulance transportation
- Transportation- including regular outings and regular transportation

- Safe Arrival of children to the OSHC service

All authorisations which are incomplete or incorrectly recorded are to be returned to the parent or guardian for required adjustments. The approved provider or nominated supervisor will inform the parent or guardian the reason why the written or verbal authorisation does not meet National Regulations or policy procedures.

The parent or guardian will be provided a copy of this *Acceptance and Refusal of Authorisation Policy* and procedure. Management will discuss an alternative arrangement with the family following the refusal of authorisation.
