

DEALING WITH COMPLAINTS POLICY

Feedback from families, children, educators, staff and the wider community is fundamental in creating an evolving Out of School Hours (OSHC) Service working towards the highest standard of care and education.

It is foreseeable that feedback will include divergent views, which may result in complaints. This Policy details our OSHC Service's procedures for receiving and managing informal and formal complaints.

Families, children, parents, visitors, students and members of the community can lodge a grievance or complaint with management in the understanding that it will be managed conscientiously and confidentially.

This policy applies to management, the approved provider, nominated supervisor, students, staff, families, children, volunteers, visitors (including contractors) and children of the OSHC Service.
