Other Information

Student Voice

We have asked staff and students how they want to move forward with Student Voice at Flagstaff Hill Primary. We have decided on 3 student action teams. These will be:

1. Community Connect Action Team

Students represent their class when making decisions about school improvement and decisions. They discuss **what's working well**, and brainstorm improvements to make the school even better.

Responsible for creating and hosting events in our school community

Communicate to governing council with a student perspective

2. Eco Warriors Environmental Impact Action Team

Starting a nude food revolution at FHPS

Working on improving our school environment

3. URSTRONG Wellbeing Action Team

Students to work on lunchtime activities and student led games. These include both sports based and non-sporting activities

Working on making sure everyone feels a sense of belonging

Leading mindfulness and brain break activities for all classes to share.

The Community Connection Action Team met for the first time this week and amazing things to say about our school community.

Students spoke highly about the inclusive culture of the school, our canteen, gully and new toilets.

Students spoke about what they would like to improve and spoke about cleaning up the environment, organising the Sports Shed so kids can borrow

They have written minutes to give to Governing council for feedback.

The senior students from this Action Team were also responsible for leading prospective parents around for a school tour, which was practised and led by Mrs Schipper.

2024 AEDC article

Please find read the attached newsletter regarding the AEDC census effecting our Reception families

2024 Midyear intake/ 2025 enrolment information

Updated information including upcoming school tours and enrolment information can be found on our website.

Year 6 Graduation

The date has been set. Please put Thursday evening the 12th of December in your calendar if you are a family member with a year 6 student.

SAPSASA at Flagstaff Hill Primary

It was lovely to receive amazing feedback on how well our students do and show our school values at these events. A special mention to those students who went to Cross Country this week who were praised by another school as showing kind, respectful and responsible behaviour. Thank you to Jamie for leading this and to all the parents who could volunteer.

Friendly Reminder – Breakfast Club

We have Breakfast Club available Mondays, Wednesdays and Fridays before school, with toast, fruit, milk and cereal available. We are very thankful to our staff, student and community volunteers who run this.

Breakfast is available until 8:45am (must stop serving at 8:45am so that students have time to eat and get to their class on time).

Enjoy your weekend

The Leadership Team
