- **Friday June 7: STUDENT FREE DAY**

Please remember to check the website for upcoming events and information. These are mostly updated now, with a few events pending approval by Governing Council.

[Be Brave, Be Curious, Belong | Flagstaff Hill Primary School](#)

Other Information

Student Free Day Friday 7th June

Staff are looking forward to completing some professional development around our site improvement goals of Reading. We will also be learning about data collection, high impact teaching strategies, student support and our new South Australian teaching Curriculum.

Reconciliation Week

What an amazing turn out we had with our Reconciliation Breakfast. Thank you to all the parents for coming in early to enjoy this with us. A special thanks to the Student Leaders and multiple staff members for their assistance on the morning.

Our assembly recognising 'Reconciliation' was also a huge success. It was wonderful to celebrate and recognise our indigenous Australians with the theme for this year being 'Now more than ever'. Reconciliation week is a reminder to all of us that no matter what, the fight for justice and the rights of Aboriginal and Torres Strait Island people will and must continue.

Semester 1 Reports

Because we have changed communication platforms over the last year, our report format will also change for 2024. Teachers are beginning to use a new tool to write their reports which will be emailed home to families. More information will be coming home in the next few weeks and there will still be an *option* to have a printed reports for those families who don't have access to email. Please stay tuned here.

Emergency plan

Today we practiced our emergency procedures by hosting a lockdown. Our goal was to ensure everyone knows what to do to stay safe in case of an emergency. After the drill, staff and students had to opportunity to discuss and reflect on what went well and any areas for improvement. The practice helps ensure that if an actual emergency occurs, everyone will know how to react quickly and calmly, increasing their safety. Wellbeing walkthroughs were done after the practice to ensure students were okay and understood the need of a practice.

Assembly Awards

We have started handing out very special 'Values' awards given to students who are displaying our school values 'Be Brave', 'Be Curious' and 'Belong'. There will be 4 awards handed out at each assembly (given by leadership staff to students) displaying these values in the school.

Congratulations this Assembly to: Mackenzie, Eddie, Frankie and Jude.

Student Leaders in the Community Connect Action Team and UR Strong Action Team were also presented with certificates for acknowledging their dedication and commitment to their teams.

Have a great weekend

The Leadership Team
